2. [REDACTED] Called Ralph Malvik, OMB, regarding the Administration's proposed bill on nonappropriated fund employees at the Merchant Marine Academy. I told him the Agency was not affected in any way and therefore would take no position on the proposed legislation. He agreed that a written response reflecting our no comment position and answering questions on our nonappropriated fund employees would not be necessary. No further action is required.

1. CIA's draft legislation now pending in OMB to strengthen provisions of law regarding the protection of Intelligence Sources and Methods from unauthorized disclosure.

2. H. R. 15845 and S. 2597 -- Bills to amend the National Security Act to clarify authorities of the CIA. Some restrictive legislation is inevitable. We favor these bills over S. 3767. The above bills should be amended to include the draft legislation proposed by CIA as stated in 1 above.

3. CIA Retirement Act bills in OMB.

4. Executive Pay Legislation.
